Re: United States v. Roger Thomas Clark
15-cr-866 (WHP)

Dear Judge Pauley:

I write to advise the Court that Mr. Clark has recovered from his illness. I ask that the Court now set a date for his sentencing. With the Court's permission, I will file a supplemental sentencing letter, addressing only the issues that have arisen since my sentencing submission was filed initially, specifically, Mr. Clark's health issues and his treatment by the Metropolitan Detention Center. I propose filing that letter on or before March 30, 2021. The government would file a response, if it opts to do so, on or before April 8, 2021. I ask that sentencing follow sometime in mid-April, 2021.

I have conferred with the government, and the government has no objection to this request.

Respectfully submitted,
